## **PRESENTATIONS & PANEL DISCUSSIONS**

A wide selection of animal rights topics will be presented by speakers from all over the world. The presentations will range from theoretical analysis and background information to campaign reports and practical topics of the daily animal rights work. Panel discussions will debate current and controversial views of the animal rights movement. Check out the conference web site to see the current list of confirmed speakers.

## **WORKSHOPS & DISCUSSIONS**

The workshops and discussion sessions will address a wide variety of topics from general information about vegan living to practical hints for the daily animal rights activism.

## **INTERNATIONAL NETWORKING**

Meet and connect with animal rights advocates from all over the world. With special networking sessions we will help the animal rights movement to exchange and connect internationally to bring the struggle for ending animal exploitation to a truly global level.

## **CONTRIBUTE**

If you wish to contribute, please contact us. We hope to get representatives from all areas of the animal rights movement. Our web site lists information about the conditions under the topic "Contribute". Besides the presentations, discussions, and workshops which are scheduled in advance, there will also be free space for spontaneous topics at the conference.
